RDC Technologies will be an exhibitor at GTEC

Come and visit us at the GTEC Exhibition - a world class showcase of IT products, services, and solutions featuring up to 600 exhibits and demos of solutions for e-government.

Now in its 12th phenomenally successful year, GTEC WEEK is Canada's unique multifaceted learning and networking event for public sector IT professionals. GTEC WEEK showcases leading edge expertise and technology solutions that are driving government online solutions across Canada, and around the world.
